Hi Karen-

As I believe I told you in our phone conversation earlier today, I am on call for a total of 5 cases on Tuesday, October 19th. Well, I just got off the phone with the VWA in Westfield and found out that that case is definitely going to go - it is the only case scheduled for that day and the defendant is defending himself, so there is no plea anticipated. I am still technically on call, but I do know that I will need to be there probably sometime Tuesday morning. I haven't heard anything from the other cases so far. I know that you can't guarantee what time you will need me, but after lunch on Tuesday or even late/last on Monday would be better for me (possibly right at 9:00am on Tuesday may work, though I am hesitant to say that as sometimes right at 9 can end up being 10 or 10:30). Just thought I'd let you know.

-Sonja
